
HA 201: History of Western Art I

The Ancient World to the Early Renaissance

Fall 2007 Call # 11757-A

We know, we know. Sometimes those art history surveys can really put you to sleep. That's why we've done away with them. In their place we've put two new courses, History of Art 201 & 202, each of which is designed to be a good deal more stimulating than its predecessors. Fewer monuments but a tighter focus—so less memorization and greater comprehension. All that, plus GEC / VPA credit to boot. It's the stuff dreams are made of.

See how the course of art history has changed!
