# HA 202: History of Western Art II

## The Renaissance to Contemporary Worlds

Fall 2007 Call # 11765-A

M W 12:00 – 1:18 Sullivant 105

Piero Manzoni, *Merda d'artista* (1961)

It's true: those old art history survey courses could seem a bit "canned." That's why we've gotten rid of them. In place of the surveys, we've created two fresh courses, History of Art 201 and 202. Each covers fewer works (and so requires less memorization) but allows for greater exploration in depth. Give them a try. We promise, it's really not just the same old stuff.

***See how the course of art history has changed!***
